You have heard his name and maybe listened to him interviewed on radio or TV. Now check out Ben Carson's new book, One Nation. Our country faces many difficulties such as growing debt, deteriorating morals, little progress in education, and threats to quality health care. Dr. Carson proposes a road out of our decline, appealing to every American's decency and common sense.

From Our Pastor

Welcome to First Baptist Church! Thank you for your faithfulness in attending worship this summer. If you are a guest today, I hope that you will not mind doing a couple of things. First, please take a moment to fill out the guest registration card that is in today's bulletin. Second, take a moment to visit with one of our volunteers at the Information Center. They can help you find a Bible Study group to attend as well as provide you other information about our church. They also have a gift for you.

Continue to pray for our mission teams who are scattered around the world. I trust that you will be in prayer for each group. The Romanian Missions Team left on Thursday and is returning to Lafayette on July 14. Tonight, we have a second team headed to the Philippines. Later this month we have a team headed to Brazil. Pray for each group to return to First Baptist more ready than ever to Know Him and Make Him Known.

Tonight, we have the opportunity to hear from International Mission Board missionaries Bo and Summer Alexander. They have been serving in Nepal and are currently living in our missions home.

As we move through the summer, please make plans to join us for our One Day celebration slated this year for August 31. We will have a combined worship service at 10:00 a.m. on that morning, and I will be sharing with you a strategic ministry and discipleship initiative called *Do Something*.
